PLANETT'S BITTERS CREATE a healthy action throughout the body, restore the appetite, equalize the circulation, give tone and energy to the system, and create a power of resistance to disease in all its forms, rarely to be obtained; they will perform a speedy and permanent cure of Dyspepsia, Indigestion, Flatulency, General Debility, Liver Complaint, and all the train of symptoms commonly called Nervous Affections.

HEADACHE will be immediately relieved by the use of this in-valuable compound, which is purely vegetable, and is adapted to all ages and conditions. FEMALES

will find in this delicate and palatable preparation a combination of Tonic, Alterative, and Aperient qualities, peculiarly adapted to their systems.

The specific action that this article has on the Liver and Digestive Organs, render it a complete antidate for Feorr and Ague, and Bilious and Tychus Feorrs.

Chaseville, (L. I.,) July 17, 1850.

Dear Sir: I have used the article of Planett's Bitters, and have derived from them great benefit. I have been subject for years past to the Feer and Ague, but since the introduction of your bitters I have entirely escaped my usual attacks, and can with confidence recommend them as one of the best Tonics in use. Respectfully yours. with confidence recommend them as one.

TO PRINTERS—A RARE CHANCE.

THE SUBSCRIBER, wishing to engage in other business, offers for sale the Sulican County Whig printing establishment at a very low price. The Whig has been published six years, and already has a circulation of nearly eight hundred paying subscribers. Its advertising patronage is better than that of most country papers, and the office has a liberal ron of job printing. The press is a Washington No. 4 Imperial, of Taylor's manufacture, and is nearly new. The type and other material are as good as can be found in a majority of country offices, and all that is required for the business. The county is bordered by the New York and Erie railroad on one side, and is one of the most growing and prosperous of the southern tier. It has now a population of nearly 30,000, being an increase of one-third in the last ten years. For the past five years the official paironage has been in the hands of the Whigs, and the prospect is fair of its continuing so to be. Only one other paper (Locofoco) is published in the county, and that is located fifteen miles farther west. To a practical printer, or any person possessing the means, this offer affords a rare convertinity to investment as the miles. TO PRINTERS-A RARE CHANCE. or any person possessing the means, this offer affords a rare opportunity for investment, as the public patronage is rapidly increasing, and the prospect of making money never better than now.

As it is the wish of the undersigned to make im-

mediate sale, those desiring to purchase would do well to communicate with him on the subject without delay; and any further information that may be desired will be readily given.

It being the object of the subscriber to sell, a fair and reasonable offer will meet with acceptance, and the terms of payment made casy.

CIRCULAR.

THE UNDERSIGNED proposes to publish a political Weekly paper in the German language, in the City of Washington, in support of the principles by which the Administration of General Taylor came into power, and being desirous to obtain the aid and co-operation of the Whig party, he would respectfully state the reasons which, in his estimation, make it desirable and necessary that such a paper should be established at the sea of Government.

1. The number of those who use the German language as their medium of intercourse is upwards of

of Government.

1. The number of those who use the German language as their medium of intercourse is upwards of Three Millions, and this number is constantly increasing by immigration.

2. The name of Democrats being the appellation of the liberal or popular party of Germany, to which all the immigrants before their emigration belonged, they do, of course, range themselves with the party bearing that appellation in this country, as soon as they are able to exercise the elective franchise; and the more so, as the country teems with Democratic papers in the German language, whose particular object and anxiety it is to use this misappellation to the best advantage.

3. Although there are a few Whig papers in the country, they bear principally a local character, and, relying for their support more on local patronage than on their subscription lists, they do generally stand or fall with the success or defeat of the Whig party in their particular section.

4. The Germans, however, being an intelligent and reading people, are accessible to sound argument, and a paper conducted with uprightness, and speaking the plain truth, will be able, by degrees, to overcome prejudices, correct errors and missapprehensions, and by its own direct influence, as well as by its influence upon the local Whig papers, now in existence, will, it is hoped, produce the desired effect, and gain the reflecting and thinking, that is the influential, portion of the German citizens, over to the Whig ranks.

the desired effect, and gain the reflecting and thinking, that is the influential, portion of the German citizens, over to the Whig ranks.

5. The undersigned is well aware that he has many and serious obstacles to overcome, but relying upon the power of truth and the co-operation of the Whig party, on account of the intrinsic merits of his enterprise, does not fear to be charged with entertaining too sanguine hopes, if he anticipates a satisfactory result.

FREDERICK SCHMIDT.

RECOMMENDATION.—The Whig State Central Committee of Massachusetts, being satisfied that a German newsy aper, to be published at Washington, as propose. by Mr. Ferosauck Schmot, will be of great importance and benefit to the Whig party and the country, cheerfully and earnestly recommend to the White every where to sub-subend to the Whigs every where to subspaper.
